## HOW TO SEARCH FOR A PUBLICATION

### 1) REFERENCE:

- > **TECHNICAL BROCHURE:** 3 figures, e.g. 306, 403, etc.
- > **ELECTRA PAPER:** ELT\_NUM\_R, NUM being the number of the ELECTRA issue, R being the number within the edition, usually 1, 2, 3, 4, 5, 6 etc... no more than 12, e.g. ELT\_260\_1
- > **SESSION PAPER:** SC-NUM\_YEAR, SC being Study Committee name (22 or A3...) or exceptionally a combination like 22/12; NUM is 2 or 3 figures number, e.g. B1-108\_2010
- > **SYMPOSIUM PAPER:** SYMP\_XXX\_YEAR, where XXX is the first 3 letters of the city venue (BEI for BEIJING, NEW for NEW ORLEANS) + letters P (Papers) and D (Discussions), e.g. SYMP\_MONP\_1991 and SYMP\_MOND\_1991

*Click on Search button*

### 2) MULTIPLE OR UNIQUE SELECTION:

- > **SELECT TYPE:** choose from dropdown list - BROCHURE, ELECTRA, SESSION, SYMPOSIA
- > **AUTHORS:** Enter the name of author
- > **SC (Study Committee):** 2 figure or 2 letter code, e.g. A3 for a joint publication the SC codes are separated with "/", e.g. D1/A2
- > **WORKING BODIES:** Enter WG, TF, JWG followed by a space and the number like WG A1.12.
- > **TITLE:** Enter text
- > **ABSTRACTS:** Enter text
- > **YEAR:** in, before, after

*Click on Search button*

## ORDER / PURCHASE - FOR MEMBERS OR NON-MEMBERS

- > Click on  to select
- > Check your selection by clicking on **My Selection** on the left, then **add**  or **delete**  a publication as desired.
- > **Click on order:** follow the steps and fill in the boxes as directed. The Order form will be sent automatically to CIGRE, and you will receive a copy in your mail.
- > CIGRE will issue an electronic invoice which you will receive in your mail.
- > Publication (pdf when available) will be sent upon payment.

Throughout the procedure you may still enter your CIGRE member number and take advantage of the reduced price: Go to "Identification", enter your number and back to "Order" after your membership has been acknowledged.

**CIGRE SC. & ENG.**  Free downloading  
CSE\_003\_01 -- Harmonic Load Flow during Geomagnetic Disturbances  
Year: 2015

**ISH COLLECTION**  Free downloading  
ISH2015\_90 -- Compensation of Harmonics Produced by AC High Voltage Test Transformer's non-linearity  
Year: 2015

**SESSION**  Free downloading  
C4-308\_2014 -- Harmonic analysis of wind farm clusters using HV-AC underground cables in the Irish transmission network  
SC: C4 - Year: 2014

**SESSION**  Free downloading  
B4-207\_2014 -- A novel control method in grid Interconnection of DG based on adaptive pulse voltage source inverter (VSI) and compare with two other control methods for harmonic compensation and power quality improvement  
SC: B4 - Year: 2014

**SESSION**  Free downloading  
A1-107\_2014 -- The impact on large generators through harmonic currents caused by rapid control  
SC: A1 - Year: 2014

 Free downloading  
123-2014\_0130 -- Harmonic resonances due to transmission cables  
Year: 2014

 Free downloading  
T3\_01\_\_CIGRE 240 Pap -- Harmonics from Home Appliances  
Year: 2013

 Free downloading  
T1\_05\_\_CIGRE 312 Pap -- A Program for Automation of the Harmonic Impedance Calculations Required for the Specification of HVdc Links  
Year: 2013

**SESSION**  Free downloading  
C4-112\_2012 -- A methodology for harmonic impedance in large power systems - Application to the filters of a VSC
